

## 2012 Spring Retreat

April 30 – May 3, 2012

Resort and Conference Center at Hyannis

Hyannis, MA

The aims of the PES Spring Retreat, formally named Summer School, are to provide up to date basic and clinical teaching in selected areas of Pediatric Endocrinology, promote critical thinking skills, and to encourage discussions and interactions between younger and more senior pediatric endocrinologists.

The Course is two and half days with arrival on Monday, April 30 and departures on Thursday, May 3, 2012. First and Second year fellows are encouraged to apply.

- All students will come prepared to present a 10-15 minute discussion to the full group on an assigned topic
- Topics will be controversial or newly emerging topics within Pediatric Endocrinology
- Case presentations will be supplemented by faculty lectures.

The application and additional information will be available on the PES website. Applications should include a CV and a letter of recommendation by a PES member.

**The deadline to apply is March 1, 2012.**

Travel expenses, accommodations and meals will be provided to those selected to participate. ***Only members in good standing with PES will be eligible for the Course.***

We look forward to seeing you in Massachusetts.
